APJ Abdul Kalam  
Technological University

Dear Sir/Madam ,

It is with immense pleasure, we inform you that FISAT Science & Technology Park and Research Centre along with The Emirates National School, Sharjah in association with APJ Abdul Kalam Technological University (APJAKTU) and All India Council for Technical Education (AICTE) is organizing a three day programme "FISAT ENS MAKER FAIR".

The participants of the programme would be the students from 5<sup>th</sup> to 12<sup>th</sup> standard from various schools in U.A.E . This programme holds a variety of events like Young Entrepreneurship Programme (Makers' Workshop), Lecture series, Science Exhibition, and other Science Popularization Programmes which are intended to create interest among students in the field of science and technology. In addition, students will get opportunity to interact with researchers, technocrats and experts. The Maker Fair would definitely be a stepping stone to those enthusiastic blooming buds into the ever growing horizon of Science and Technology.

The Maker fair also features a career orientation programme for 12<sup>th</sup> standard students and creative parenting session for parents. The career orientation programme gives a deep insight on career opportunities for students in the field of science and technology.
